ARTIST. PRODUCER. DJ.

A classically trained drummer turned DJ and producer, Jesse Lucas is now breaking through as an artist.

The dance releases include collaborations with DCR Milda, DR MAD and Kice.

In the studio: production on the Canadian gold single “Amateur at Love” and on “Dinner” by SUHO of EXO, part of more than 19 million Spotify streams across releases and production.

On stage: twelve years of playing live, from clubs to festivals and arenas. That includes Dubai’s Coca-Cola Arena, Akon’s 2015 Canadian tour and WE Day as a tour DJ, and support slots for Diplo, Disclosure and Tchami as part of the duo M2.
